REMINDER - Please do not dispose of any electronics in the garbage. If you do so, you will be charged a disposal and trip fee.

Notice: Effective June 1st, any pet that you are wishing to obtain to join your household will have to be approved in writing from your Property Manager. We have noticed numerous tenants not following the guidelines set forth in the current pet policy. We will be re-vamping that policy and you will be required to have a signed pet policy and pay the deposit/fee prior to obtaining your pet. If you wish to add any new pet into your household, please contact Casey Blakeley at 217-632-7723 or

cblakeley@menardcha.org. If you do not obtain approval, you will be asked to re-home your pet and will be given two weeks to do so. Please call Casey or e-mail (preferred) with any questions.
