To ensure a timely meeting with a MCHA staff member, please call to schedule an appointment beforehand. We cannot ensure a meeting without an appointment.

All dogs must be leashed when outside of the unit per our pet policy.

With warmer months approaching, please ensure children are being supervised while playing outside.

## *Work Orders*

Please remember that it is your responsibility to call in all work order items to the MCHA office. As annual inspections have been conducted over the last few weeks, we are finding numerous repairs that tenants have not been reporting. As a reminder, you will be charged both time and material for tenant related damages.
