Lunch & Learn

The Area Agency on Aging for Lincolnland is offering a series of monthly informational programs for family caregivers of older adults and for relatives raising children:

Tuesday, July 31st - Effective Communication

Tuesday, August 28th - Ombudsman Program I Care

Tuesday, September 25th - Caregivers Needs a Break Too! Learn what respite is and how to access this service.

Each session is being held from Noon to 1:00pm at 113 West Antle Street with lunch provided. To register, please contact the Area Agency on Aging for Lincolnland at 217-787-9234.

It's not too late to join us at the 18 Georg Road community room for free lunches through the month of July!

Lunches will continue the weeks of July 23rd and July 30th for school-aged children. Lunch will be served promptly at Noon each day.

Questions? Call the housing office at 217-632-7723.

Properly kept lawns are the responsibility of the tenants. Mowing regularly and at the proper height (3 inches) will help you maintain a healthy lawn. Please water the lawn when it browns and pull all weeds around your unit, garden, and flowers. Trim along the house and all sidewalks each time you mow. Please remember that wading pools need to be moved frequently or the lawn will turn brown. They also need to be emptied and stored after each use. **Water should not remain in the pool overnight.** Standing water is also a breeding ground for disease carrying mosquitos, such as the Zika Virus. Ensure any containers for standing water, such as old tires, pet water bowls, etc are emptied as necessary. Please supervise your children closely!
